**Effortless Clean, Seamless Style: The Equator Dishwasher**

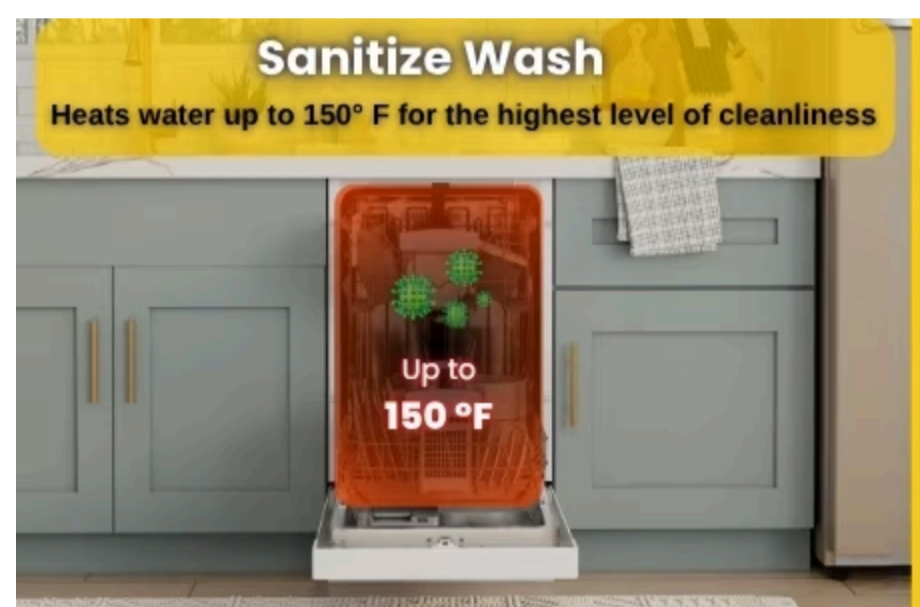

Evenings should end in quiet conversation, not the clatter of rinsing plates or the groan of overworked appliances. With the Equator 18" Slim Dishwasher, your kitchen gets an after-hours upgrade—one that runs so quietly, you may forget it's doing the hard work for you. Tucked neatly beneath the counter, the dishwasher loads up to 10 place settings in its compact frame, with eight tailored wash programs ranging from the everyday "Fast 50" to the meticulous "Sanitize" cycle that steams away 150°F of doubt. It's the kind of appliance that ties up and slips out of the spotlight. No complaints. No noise. Just clean dishes.
